PRODUCT OVERVIEW

The 500U aluminum bariatric rollator combines adjustable seat and handle heights, a padded seat and locking loop brakes. Its listed 500lb capacity and oval aluminum frame are paired with an included tote bag for everyday items.

FULL FEATURES

- 500 lb weight capacity
- Adjustable seat height
- Locking loop brakes

PRODUCT DETAILS

Handle and seat-height adjustment

Handle height adjusts from 33 to 42 inches, and seat height from the floor adjusts from 18.5 to 22 inches. A padded seat provides a resting surface, and locking loop brakes place the brake controls at the handles.

Storage, finishes and selection details

An included tote bag provides space for small belongings. Blue and Matte Grey are the listed finishes. Confirm seat dimensions and wheel diameter with ProLine before ordering.
