PRODUCT OVERVIEW

The 717 is a three-wheel aluminum rollator with 8-inch wheels, locking loop brakes and an included tote bag. Its telescopic side frame makes the frame more compact for storage, with a listed product weight of 10lb.

FULL FEATURES

- 10 lb product weight
- 250 lb weight capacity
- Telescopic side frame

PRODUCT DETAILS

A compact three-wheel format

The telescopic side frame makes the three-wheel rollator more compact for storage. Overall dimensions are listed at 25 inches wide by 24 inches long.

Handles, belongings and finishes

The handle-height range is listed from 31 to 38 inches, and the tote keeps small items with the rollator. Caribbean Blue, Purple, Laser Red and Laser Blue are the named finishes. Confirm the chosen finish and the listed 250lb capacity when ordering.
