FULL FEATURES

- 13.5 lb product weight
- 300 lb weight capacity
- Cane holder

PRODUCT DETAILS

Adjustable handle position

The listed handle-height range is 32 to 39 inches. Seat height and seat dimensions are specified separately, so the hand position and seated-rest surface can be considered as different parts of the fit.

Carbon-fiber frame and footprint

The carbon-fiber frame has overall dimensions of 24.75 inches wide by 27 inches long. Use these measurements when discussing storage space and handling with ProLine.
