PRODUCT OVERVIEW

The 803S is a four-wheel steel rollator with 6-inch wheels, locking loop brakes, a padded seat and an included tote bag. It combines a defined resting surface and storage provision in a steel-frame model.

FULL FEATURES

- 300 lb weight capacity
- 15.4 lb product weight
- Tote bag included

PRODUCT DETAILS

Controls and seated-rest provision

Locking loop brakes place the brake controls at the handles. A padded seat provides a resting surface, and the included tote bag holds everyday items. Handle height adjusts from 30 to 37 inches; seat height from the floor is listed at 20.25 inches.

Model-specific weight and finishes

The 803S weighs 15.4 lb and has a listed 300 lb capacity. Blue, Burgundy and Gray are the named finishes. Overall dimensions are 23.25 inches wide by 26 inches long.
