PRODUCT OVERVIEW

The 908 aluminum Euro-style rollator combines a side cane holder with adjustable handles and a defined seated-rest height. It is listed at 15lb with a 300lb weight capacity.

FULL FEATURES

- 300 lb weight capacity
- 15 lb product weight
- Side cane holder

PRODUCT DETAILS

Keep a cane with the rollator

The side cane holder provides a designated location for a cane when it is not in hand. The listed handle range of 31 to 38 inches and seat-to-floor height of 21.75 inches describe separate aspects of the user setup.

Specify the finish and fit

White, Red and Matte Black are the named finishes. The seat measures 18.5 inches wide by 11 inches deep, and overall dimensions are 25 inches wide by 27.5 inches long. Confirm the selected configuration and included items with ProLine.
