FULL FEATURES

- Small, medium and large sizes

PRODUCT DETAILS

Compare the actual mask size

The small mask measures 5.4 by 3.5 by 3.6 inches, the medium 5.9 by 3.7 by 3.7 inches and the large 5.9 by 3.7 by 3.8 inches, in height, width and depth. Compare the dimensions as well as the size name when discussing the required mask with ProLine.

Complete the equipment match

Confirm the selected size, equipment compatibility and supplied components with ProLine before ordering.
