PRODUCT DETAILS

Identify the required bed format

The full-electric low-bed designation identifies the listed bed format. Ask ProLine to confirm the individual powered adjustments, controls and folding procedure for HC6500FEHR.

Confirm the final setup

An exact product photo, dimensions and bed weight are not available for this listing. Ask ProLine to confirm deck heights, sleep-surface dimensions, rail and mattress configuration, the basis of the 450 lb rating and handling details before selecting the setup.
