PRODUCT OVERVIEW

The KN500 aluminum knee walker combines a center-folding design with an adjustable knee platform. It is offered in Blue and Black.

FULL FEATURES

- Aluminum frame
- Center-folding design
- Adjustable knee platform

PRODUCT DETAILS

Knee platform

The knee-platform height adjusts from 18 to 24 inches, and the pad measures 7 by 14 inches. The center-folding frame provides a storage configuration.

Wheels and product weight

The product is listed at 21 lb, with 10-inch chrome front wheels and 8-inch rear wheels. Ask ProLine to confirm the user weight capacity and final fit.
